Mixed quality across varying vintages. Best wines had density of fruit and good balance of components gained from careful blending of varietals. Some wines looking prematurely developed and also some excessive new oak use in lighter fruited wines.

Class 28 Comments:

Very strong class of wines. Great range of styles being made with success. Excellent depth of fruit, some very pure and expressive wines. Great to see some experimentation with whole bunch. Oak in the main very well handled. Less successful wines showed excessive tannin extraction, oak or over ripe fruit.

Class 32 Comments:

Delicious! A treat to judge, better than average results from a great vintage. Great purity of fruit, well handled extraction of ripe tannins. Best wines showed polish, balance, intensity of flavour, elegance, structure and well managed oak. Range of successful styles ranging from more elegant medium bodied styles through to more full bodied styles with great potential to age.
